RE: SDS/MSDS

Please review the following information regarding Safety Data Sheets for Hogeye, Inc. Products.

Hogeye, Inc. products are considered Articles per OSHA Hazardous Communications Standard 29 CFR Part 1910.1200 Section (b)(6)(v) and definition thereof in section (c). As such, the products do not require an SDS.

The definition of an Article per 29 CFR Part 1910.1200 Section (c) states: "Article" means a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use functions dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical (as determined under paragraph (d) of this section), and does not pose a physical hazard or health risk to employees.
